

1. Hello and welcome to 6 Minute English from BBC Learning English.
Hello and welcome to 6 Minute English from BBC Learning English.
2. I'm Neil and today we're joined by Hannah from the What in the World podcast.
我是尼尔，今天我们有一位特别嘉宾——来自《What in the World》播客的汉娜。
3. Hey Neil, it's great to be back.
嘿，尼尔，能再次见到你真是太好了。
4. So Neil, do you think you're good at preparing for the future or for unexpected events?
那么尼尔，你认为自己是否擅长为未来或意外事件做好准备呢？
5. Reasonably good, I suppose.
还算不错吧，我想。
6. Depends what kind of event we're talking about.
这取决于我们所说的是哪种类型的活动。
7. all kinds of events.
各种各样的活动。
8. Now I think I'm pretty organised but I only have enough food to last me about a week and today we're talking all about preppers.
现在我觉得自己把一切都安排得井井有条，但我现有的食物只够维持大约一周的生活，而今天我们讨论的主题正是那些为未来做准备的人。
9. A prepper is someone who believes that disaster is likely to happen soon and so they prepare for it.
准备主义者是指那些认为灾难很可能即将发生，因此会提前采取相应措施进行应对的人。
10. A prepper might learn survival skills or they might build a bunker, an underground shelter,
准备者可能会学习生存技能，或者建造地堡、地下避难所。
11. Yes, and recently many famous billionaires from the tech industry have made the news for building luxury bunkers.
是的，最近许多来自科技行业的知名亿万富翁因为建造豪华地堡而上了新闻。
12. So what these bunkers need to do is to keep you safe from danger.
所以，这些掩体存在的意义就在于保护你免受危险。
13. But they're also like something out of a spy film.
但它们看起来也像是出自间谍电影中的场景。
14. They're huge and they've got cool features like gyms or home cinemas.
它们体积庞大，还配备了健身房或家庭影院之类的实用功能。

15. They allow someone to live a comfortable life while staying safe from danger.
它们能够让人们在远离危险的同时过上舒适的生活。

16. a very comfortable life.
非常舒适的生活。

17. We're going to be talking about these luxury bunkers, the people building them and what they're so afraid of.
我们将讨论这些豪华地堡、建造它们的人，以及他们究竟在害怕什么。

18. But first, Neil, I've got a question for you.
但首先，尼尔，我有个问题要问你。

19. Mark Zuckerberg, the CEO of Meta, which owns Facebook, Instagram and WhatsApp,
Meta的首席执行官马克·扎克伯格，该公司拥有Facebook、Instagram和WhatsApp。

20. is building a property in Hawaii which is reported to include a huge underground bunker.
他正在夏威夷建造一处房产，据报道该房产内设有一座巨大的地下掩体。

21. So Neil, how much is he reportedly spending on the project?
那么尼尔，据报道，他在这个项目上投入了多少钱呢？

22. Is it a \$10 million, b \$50 million or c \$100 million?
是1000万美元，还是5000万美元，又或者是1亿美元呢？

23. Well, Hannah, I don't know but he's a pretty rich guy so I think \$100 million.
嗯，汉娜，我也不确定，但他是个相当有钱的人，所以我觉得大概是1亿美元吧。

24. Well, I will reveal the answer at the end of the programme.
好吧，我会在节目结束时揭晓答案。

25. Hannah, you've been looking into these luxury bunkers like the one Mark Zuckerberg is reported to be building on What in the World?
汉娜，你一直在研究这些豪华地堡，比如据报道马克·扎克伯格正在建造的那种。这是怎么回事呢？

26. What have you discovered?
你发现了什么？

27. Well, I was joined by BBC reporter Natalia Jimenez to talk about preppers.
嗯，英国广播公司的记者娜塔莉亚·希门尼斯也与我一起讨论了那些为应对紧急情况而做准备的人。

28. And I started off by asking whether she had ever considered building a bunker and preparing for disaster.
我首先询问她是否曾经考虑过建造地堡以应对灾难。

29. I love this question because I've actually been thinking about it for a while.
我喜欢这个问题，因为实际上我一直在思考它。

30. Fun fact.
有趣的小知识。

31. Have you?
你有吗？

32. You're a prepper.
你是一个有备无患的人。

33. Yes.
是的。

34. When you watch TV in the US, when you turn on a kind of US TV channel, what happens is that there's usually some ads about freeze dried food.
当你在美国看电视，当你打开某个美国电视台的频道时，通常会看到一些关于冻干食品的广告。

35. I'm not kidding.
我不是在开玩笑。

36. They pop up quite regularly and it's all about kind of the prepper mentality.
它们会定期出现，而这些现象其实都与“未雨绸缪”的心态有关。

37. What are you going to do when the apocalypse happens?
当世界末日来临时，你打算做什么？

38. Natalia has thought about building a bunker and getting prepared because she sees adverts for freeze-dried food that would last a long time on TV in the US.
娜塔莉亚考虑过建造地堡并做好相应准备，因为她在美国电视上看到过一些关于冻干食品的广告，这类食品可以保存很长时间。

39. When she talks about the adverts, she says, I'm not kidding, which means I'm not joking.
当她谈到那些广告时，她说：“我不是在开玩笑”，这意味着她确实不是在开玩笑。

40. Natalia says that these adverts are part of the prepper mentality.
娜塔莉亚表示，这些广告体现了那种“未雨绸缪”的心态。

41. A mentality is a person's way of thinking about things.
一种心态就是一个人思考事物的方式。

42. So the prepper mentality would mean thinking about things like a prepper.
因此，具备备灾意识意味着要以备灾者的思维方式来考虑各种问题。

43. Part of the prepper mentality is to question what you would do if the apocalypse happens.

预备者心态的一部分就是会思考：如果世界末日真的来临，自己会怎么做。

44. An apocalypse refers to a serious event which causes destruction and change.

“天启”指的是那种会带来毁灭与变革的严重事件。

45. So lots of people do think about preparing for bad things.

所以，确实有很多人会考虑为可能发生的不幸事件做好准备。

46. Natalia's thought about it.

娜塔莉亚对此的想法。

47. And for tech billionaires like Mark Zuckerberg, they're able to spend a lot of money preparing for disaster.

而对于马克·扎克伯格这样的科技亿万富翁来说，他们完全有能力投入大量资金来为应对灾难做准备。

48. So do you think they know something we don't?

那么你认为他们知道一些我们不知道的事情吗？

49. What are they preparing for?

他们在准备什么呢？

50. Let's hear from Natalia again, speaking to me on what in the world.

让我们再听听娜塔莉亚的说法吧，她正在跟我谈论到底是什么事情。

51. So the reasons include nuclear attentions, AI risk, climate disaster, essentially any world ending event.

因此，这些原因包括核灾难、人工智能带来的风险、气候灾难，以及本质上任何可能导致世界末日的事件。

52. But secondly, it's also a mark of societal status.

但其次，它也是一种社会地位的象征。

53. So no matter what happens,

所以无论发生什么，

54. no matter what comes our way, if you're a tech billionaire, you're going to be able to live through that comfortably without compromising your lifestyle, without compromising the standard that you have.

无论遇到什么困难，如果你是一位科技领域的亿万富翁，你都能够轻松应对，同时不会影响你的生活方式，也不会降低你所追求的生活标准。

55. So because these tech billionaires are essentially building the future, the fact that they're so afraid of it, quote unquote, is telling within itself.

因此，既然这些科技亿万富翁实际上正在塑造未来的发展方向，那么他们如此害怕这个未来，这一事实本身就已经说明了很多问题。

56. So, while tech billionaires are worried about things like climate disaster or AI, Natalia says that luxury bunkers are also a mark of social status – or status, as we

would say in the UK.

因此，当科技亿万富翁们都在担忧气候灾难或人工智能等问题时，娜塔莉亚指出，豪华地堡同样也是社会地位的一种象征——用我们在英国的说法来说，就是地位的体现。

57. Someone's status is the amount of respect or importance given to them by other people.

某人的地位指的是他人给予他们的尊重程度或重视程度。

58. With their bunkers, tech billionaires would be able to survive without compromising their luxury lifestyle – that means without lowering their standard of living.

凭借这些避难所，科技亿万富翁们能够在不牺牲自己奢侈生活方式的前提下生存下去——也就是说，他们的生活水平不会因此下降。

59. OK, so now I need to know the answer to that quiz question you gave me, Hannah.

好的，现在我需要知道你给我的那个测验问题的答案了，汉娜。

60. Yes, Neil.

是的，尼尔。

61. So my question was, Mark Zuckerberg, the CEO of Meta, is building a property in Hawaii which is said to include a huge underground bunker.

所以我的问题是：Meta的首席执行官马克·扎克伯格正在夏威夷建造一处房产，据称该房产内设有一个巨大的地下掩体。

62. How much has he reported to be spending on the project?

他声称自己为这个项目投入了多少钱？

63. Well, I think I gave option C, which was \$100 million.

嗯，我想我选择了选项C，也就是1亿美元。

64. You're right, Neil.

你说得对，尼尔。

65. The property is said to include a large underground bunker, although Zuckerberg says it's just a little shelter.

据说该房产内设有一处大型地下掩体，不过扎克伯格称那只是一个小型避难所而已。

66. OK, it's time to recap the language we've learnt during the programme, starting with prepper.

好的，现在是时候回顾一下我们在这个学习项目中所学到的语言知识了，首先从“prepper”这个词开始吧。

67. Someone who thinks disaster is likely to happen soon and so prepares for it.

那种认为灾难可能很快会发生，因此为此做准备的人。

68. Kidding means joking.

开玩笑就是打趣而已。

69. Your mentality is the way you think about things.

你的思维方式决定了你看待事物的角度。

70. An apocalypse refers to a serious event which causes destruction and change.

“天启”指的是那种会导致破坏与变革的严重事件。

71. Your status or status in society is the amount of respect and importance other people give you.

你在社会中的地位，其实就是他人给予你的尊重程度以及你所具有的重要性。

72. And if you compromise something, like your lifestyle, you lower the standard of it.

而如果你在某些方面做出妥协，比如生活方式，那么你就会降低这些方面的标准。

73. That's it for this episode of 6 Minute English.

这就是这一期“6分钟英语”的全部内容了。

74. But Hannah, where can people find more What in the World?

但是汉娜，人们在哪里可以找到更多《What in the World》相关的内容呢？

75. Well, you can listen to us wherever you get your BBC podcasts or you can watch us on the BBC World Service YouTube channel.

无论您在哪里收听BBC播客，都可以收听我们的节目；或者您也可以在BBC World Service的YouTube频道上观看我们的节目。

76. Just search for What in the World in the Studio or click on the link in the notes for this programme.

只需搜索“《What in the World in the Studio》”，或点击该节目注释中的链接即可。

77. And don't forget to test what you've learnt in this programme with the quiz on our website bbclearningenglish.com.

别忘了在我们网站**bbclearningenglish.com**上的测验中测试你通过这个课程所学到的知识。

78. Goodbye for now!

暂时再见了！

79. Goodbye and if you're a prepper, good luck!

再见，如果你是一个有备无患的人，祝你好运！
